

3 St. Albert men contest nomination

An exciting contest is shaping up for the Liberal Nomination to be held at the Morinville Legion Hall on Friday January 20th. Ray Gibbons of 59 Gordon Cres., Robert Russell of 37 Glenmore Cres., and Gerry Torpy of 1 Sheridan Drive, have all entered the field.

The intense interest in the campaign has been created by persistent speculation that Social Credit could lose the seat. The Liberals defeated Social Credit in the 1955 Election and have lost out by only a small margin in the last two tries.

Liberal Party officials are bringing in the Honourable Mike Maccagno as guest speaker and the Liberal Office in Edmonton have been busy printing up extra ballots. Constituency President Art Soetaert, former Liberal MLA for St. Albert has called the meeting for 8:00 p.m. at the Legion Hall.

Final results in the 1963 Election show Social Credit with 2,540, Liberal with 2,030, Conservatives with 1,332 and the NDP far behind with only 451 votes.

Centennial Meetings

MEETINGS: Entertainment Chairman, Len Harris will be having a meeting Tuesday, January 24th, at 8:00 o'clock in the Recreation Clubhouse. Letters will be going out to all Clubs and Organizations. Madame or Mister President, make sure YOUR CLUB IS REPRESENTED!

An open public meeting of the St. Albert Centennial Committee will be held Wednesday, January 25th, at 8:00 o'clock in the Recreation Clubhouse. Everyone is urged to attend.

Workmen install new glass in the door of Grandin Bakery. They had a busy morning Tuesday, following 4 break-ins in Grandin Shoppers Park.

Photo by John's Photo Craft.

5 Break-ins occur Grandin Park Stores

Four break-ins occurred on Monday night in Grandin Shoppers Park: Jim Byrne Men's Wear, Grandin Bakery, Tompkins Hardware and Tamblyn's Drug Store. Money was the only thing stolen - a relatively small amount - and the stock was left intact. The thieves gained entry by smashing the glass in the front doors and the break-ins were discovered about 2:15 p.m. on a routine door check.

Emery's Pipe Shop was broken into last Friday night in the same manner and a quantity of goods and small amount of cash was taken. It seems that breaking the glass - running and hiding and coming back later is an easy way for burglars.

A rash of burglaries is frequently experienced this time

MAYOR'S COLUMN

January 18th, 1967.

On January 25th, a Special Council meeting has been called to meet with Messrs. Ross and Isbister. These two gentlemen have been charged by the Government to rewrite and consolidate a number of Provincial Government Acts under one Consolidated Municipal Act. A number of the changes in the proposed Acts have received a considerable amount of publicity and comment. When meeting with the City of Edmonton Council these gentlemen were subjected to considerable rudeness. There is no danger of this happening in St. Albert. I know we all realize that these gentlemen will make the recommendations only - the Government make the laws.

Two particular sections are causing a great deal of concern to municipal bodies. These are (1) An Appeal Tribunal and (2) A change in qualifications for elected office. It is not my intention to comment on the Appeal Tribunal until I have more information at hand. However, I would like to write a few words about the proposed changes in qualifications for elected office.

The first one is that the person must be a Canadian Citizen. I agree. The present Act reads, "A Canadian Citizen or British Subject". Under the proposed Act a British Subject will also have to hold Canadian Citizenship in order to run for an elected office on a Municipal Council. One change I do not agree with is the removal of the property qualification. It is not a correct assumption that because a non-property owner can run for Provincial or Federal seats he or she should automatically be entitled to run for municipal office. Only the Municipal Government taxes private property, and it is our main source of revenue.

Nearly all of a Municipal Government's decisions have to do with the ratepayers' money. Is it too much to expect that these

84 year-old man designs a first for St. Albert

Ski-Bops are a popular form of entertainment in Switzerland and when Mr. Samwald saw a picture of one in True Magazine he thought it would make a dandy deal for his 13-year old grandson. Being of an inventive mind and mighty handy around his work-shop he got to work, using an old bicycle frame. The wheels were replaced with wooden skis, frame altered somewhat and the seat replaced with a longer, more heavily padded one.

Next he made two stubby 18-inch skis to fasten to the shoe of the rider and the ski-bop was ready to go, all in all only taking one week to make.

Young Jay was more than ready to try it out and the results were terrific. After a day or two of practice he could travel the entire course of the "seven sis-

ters" hills - actually getting airborne in places. He found his new ski-bop was easily steered, using the foot skis for balance, as well as occasionally propelling over level ground. The sensation of speed is emphasized by the height of the rider, although it actually travels no faster than a toboggan and provides a real thrill. At the same time the ski-bop is very safe and balances perfectly. (Thanks, no doubt to his grandfather's expert construction).

Your reporter and photographer, at the invitation of Jay's Dad, John Samwald, had a ride and while by no means attempting to match some of Jay's runs, had great fun. Perhaps we are among the first to try out a ski-bop in the entire area, including our suburb of Edmonton.

WHO HAS SEEN A SKI-BOP? That is what Mr. Michael Samwald of #3 Mill Drive and his grandson, Jay Samwald of #24 Belmont Drive are perched on in the above picture taken Sunday at the top of the church hill in Mission Park.

100 Bed Hospital now

up to 300 when needed

St. Albert is to have a 100-Bed Hospital to begin with and provision will be made in the building plans to expand it to a 300-bed capacity. In making the announcement Mr. J. W. Flynn, Chairman of the Sturgeon Hospital Board, said "we are very happy with this result and now it is full steam ahead with the project".

Chairman Flynn, Keith Everitt, M.L.A. and several members of the Board met January 11th, with Mr. Donovan Ross, Provincial Minister of Health, in the Minister's Office.

At a meeting with Dr. Ross about a year ago the Sturgeon Hospital Board was told that a 50-bed hospital was planned here. The Board was not satisfied with this proposal, feeling that 50 beds would hardly accommodate St. Albert and would certainly not be adequate for the entire St. Albert area. At their meeting last Wednesday the green light was given to the larger facility. Next meeting of the Board is scheduled for Wednesday of this week.

Conservatives to meet

St. Albert Constituency Progressive Conservative Association will hold their annual meeting on Wednesday, Feb. 1st, in the Club Mocombo, beginning at 8:00 p.m.

Peter Lougheed, Progressive Conservative Provincial Leader, will address the meeting. Date for the Nomination Convention will also be confirmed at this meeting.

St. Albert's Bill and Mona Sutherland were among the people Bobby Gimby met on his stopover in Edmonton Saturday. He is pictured signing the Birthday Card and said he was delighted that arrangements had been made for him to do so. Bobby felt tied in well with his own project which also deals with children and also that the sentiments expressed in his recent hit "CANADA" were similar to those behind the card. He added "The Pied Piper" behind his signature, his Centennial title as he tours Canada in advance of Confederation Train. Mr. Lloyd Muir of Toronto, a Federal Centennial Officer, and daughter Lynn Gimby are accompanying Bobby. "This is the biggest personal centennial project I have seen in Canada" said Mr. Muir of the Sutherland's Birthday Card.

Photo by John's Photo Craft.

Pictured at the meeting of the Newcomers Club in Club Mocombo last week are Joy Barker (former hostess), Mrs. Genevieve Dawes, St. Albert's new Welcome Wagon Hostess and June Parry who inducted the new officers at this meeting.

Photo by John's Photo Craft

Joyce Loos heads newcomers club

Treasurer, Committee Chairmen are Joy Barker (Membership), Gail Sammons (Reservations), Bernice Deutcher (Hospitality).

Following a Smorgasbord style supper Joy Barker introduced Mrs. Genevieve Dawes, new Welcome Wagon Hostess here from December 20th. Mrs. Dawes with her husband Bill and children Teddy, Rickey, Ronny and Michelle are making their home at 64 Sheridan Drive.

Two older members of the family Patricia and Terry are out on their own. The Dawes came to St. Albert last August from Weyburn, Saskatchewan and this is Mrs. Dawes first experience with Welcome Wagon work.

June Parry (a former Welcome Wagon Hostess for three and one half years here) conducted the colourful ceremony to induct the newly-elected officers.

All newcomers to St. Albert are extended a warm invitation to the Newcomers Club whose purpose is to welcome newly arrived women to the community and make them acquainted with the members. The next meeting will be held February 1st, and anyone interested in joining is invited to telephone the Reservations Chairman, Mrs. Gail Sammons at 599-8746 prior to this meeting.

decisions should be made by ratepayers themselves? All the sources of revenue of the two Senior Governments are other than Property Tax and therefore no just reason can be given to exclude non-property owners from office. This is not to say that those that rent or lease are to be thought of as a second class citizen. God forbid! There are undoubtedly those who are not ratepayers who are as well qualified and more so to sit on Council as to qualify for an elected Council Office one should be a property owner in that municipality. It is not a correct assumption that because a non-property owner can run for Provincial or Federal seats he or she should automatically be entitled to run for municipal office. Only the Municipal Government taxes private property, and it is our main source of revenue.

Nearly all of a Municipal Government's decisions have to do with the ratepayers' money. Is it too much to expect that these

of Prayer for Christian Unity this Centennial Year 1967.

The sermon was given by

The Rev. E. J. Thompson, M.

A., Ph.D., D.D., Principal Emeritus, St. Stephens College.

Others participating in the service were Rev. D. MacDonald

O.F.M. and Rev. Colin Levange,

O.M.I. Roman Catholic, Rev.

L. Musto, United Church, Rev.

C. Dawkins, Anglican, Rev. J.

Joly, Baptist, and Rev. W. D.

Jarvis, Presbyterian. Father

Maurice Lafrance O.M.I. is the Parish Priest.

In his plea for Christian Unity, Dr. Thompson cited the many conflicts in our world beginning with the family and continuing through the community, countries and to the international level. He said that under any circumstances such practices as envy, bitterness, resentment and suspicion tend to destroy unity.

He asked the congregation

Council appoint zoning appeal board

W.J. Veness, A. Morris, J. Wiltshire and Public Works Chairman, (Councillor Bakker) were appointed to the Zoning Appeal Board at the meeting of Town Council January 9th. One appointment was left open.

Final reading was given by Bill 18/66 to provide Refund on taxes levied in error on Lot 34, Block 10, Plan 3159 K.S., following approval by the Minister of Municipal Affairs.

A census is to be taken in 1967 and by law provide for it was also given final reading.

Councillor Bakker was appointed Deputy Mayor from Jan. 21st for the ensuing two months. Mr. S.L. Billings was appointed as Enumerator for 1967 and it was suggested that the star consider reducing the area covered by Division 3 on the Electoral Map, for purposes of enumeration.

Councillor Gibson together with Mr. F. Tetarenko (Civil Defense Co-ordinator) will attend the Alberta Emergency Measures Organization Conference in Red Deer Feb. 9 - 10th.

Gibbons bridge 1967

Keith Everitt, M.L.A. for St. Albert has received information that the bridge over the Sturgeon River east of Gibbons is to be included in the 1967 Building Program. The structure is to be a Precast Prestressed Concrete Girder type.

The contract for the above bridge was advertised January 9th, and the tenders will be opened January 23rd.

Mr. and Mrs. Stanley Walker cut the Wedding Cake, beautifully decorated for the occasion of their Silver Wedding Anniversary on January 13th. Friends and neighbors from throughout St. Albert and the surrounding area honoured the Walkers with a party held at Club Mocombo in St. Albert.

Photos by John's Photo Craft.

Catholic church host to special Unity Service

Under the sponsorship of the St. Albert Ministerial Association, people from all its congregations joined in an interfaith service for Christian unity on Sunday evening, January 15.

"BEHOLD HOW GOOD AND PLEASANT IT IS WHEN BROTHERS DWELL IN UNITY."

The Sanctuary of the St. Albert Roman Catholic Church was the setting for a Service

of Prayer for Christian Unity this Centennial Year 1967.

The sermon was given by

The Rev. E. J. Thompson, M.

A., Ph.D., D.D., Principal Emeritus, St. Stephens College.

Others participating in the service were Rev. D. MacDonald

O.F.M. and Rev. Colin Levange,

O.M.I. Roman Catholic, Rev.

L. Musto, United Church, Rev.

C. Dawkins, Anglican, Rev. J.

Joly, Baptist, and Rev. W. D.

Jarvis, Presbyterian. Father

how we, as Christians, can expect the world to live in unity when we do not dwell in this manner within our own fellowship.

Dr. Thompson told the story of a man with seven sons who, on his deathbed, asked one of his sons to bring him a stick. The dying man easily snapped the stick in two. He then requested one of his sons to bring him a bundle of sticks tied together with a string. Try as

he might, the old man was

unable to break the bundle,

indeed, he could barely bend it.

PIECES OF A FELLOWSHIP

ARE ALREADY DIVIDED

— THESE PIECES ARE EASILY

CONQUERED.

Dr. Thompson said the reason for Christians to come together was not for functional or practical reasons. Rather we must ask, "Is this the Will of God?" After that we have no argument and can do nothing

but go forward and achieve Unity.

The Seminarians sang Praise to the Lord with response by the Congregation. The Cathe

choir sang and Mrs. Ken

was organist.

Following the services members of the St. Albert Ministerial Association were received in the Musto home as Dr. Thompson says, "Catholics enjoyed in a warm friendly atmosphere".

Morinville Lions Peace essay winner

Miss Rachelle PELLETIER of Morinville, a 17 year old student at the Bataillot School in Morinville represent the Morinville Lions Club as its entry in Lions International's \$50,000 Peace Contest. Miss Rachelle won the right from six entries to enter the District of judging en route to the Grand Prize. She is now competing for the District prizes, up to \$1,000. If she wins the District Prize too, she will be eligible for one of the world Geographical Areas, and then the Grand World Prize of \$25,000.

Miss Rachelle Pelletier was selected by a panel of three judges: Mr. L. Voghell, Pastoral Superintendent of Schools; Mr. Walter Heppier, Principle, Horse Hill School; and Mr. Maurice Ogden, teacher from Camilla School. Miss Pelletier was thrilled when she learned that she was club winner. "I am so excited that I cannot think of anything to say," she remarked when asked for her reactions to the achievement. "I worked quite hard for this essay, and of course I wanted to win, but to be honest, I did not expect this," said Miss Pelletier.

Miss Pelletier added, "I am indebted to all those who helped and helped me to write this essay."

The Contest which is the largest Peace Essay Contest in the world, was initiated to stimulate the views of today's youth. The Club had offered cash prizes for the 1st, 2nd and 3rd place winners at the Club level. Miss Pelletier will receive a beautiful Golden certificate and a cash award of \$25.00.

Stella Killian of Thibault and Miss Emilie Prefere of Legal School will receive \$15.00 and \$10.00 respectively as the 2nd and 3rd place winners.

Norm Tremblay, President of the Morinville Lions announced the Club winners and said, "We will hold a general meeting in February to award the winning essays. Cash awards will be presented to them at this meeting."

Ralph Thomas was the chairman of the committee which conducted this contest at the local level.

Neil Kelly wins in tourney

The Hercules Boxing Club had one boy competing in the Bronze Gloves Boxing Tournament at the Kingsway Legion on January 13th, and 14th. Another boy PAUL RAPATI was entered but did not compete due to lack of competition in his weight division.

Neil Kelly won matches on Friday and Saturday to win the championship in his weight division. Neil joined the Hercules Boxing Club last fall along with twenty other boys, they have been training Monday and Wednesday evenings under the direction of Brian Jelley.

The Hercules Club is planning a boxing card in St. Albert on February 11th, to feature many of these boys and girls from Edmonton boxing clubs.

basketball resumes

The Purple Duke Wranglers, St. Albert's entry in the Senior Mens Edmonton Basketball League, will meet the Klondikers Wednesday evening in the first game of the second half of the League schedule. The game goes at 7:00 p.m. in the Eastgate High School Gym.

Leon Lema passes

Funeral Services were held on Wednesday, January 11th for Leon Lema, 68, who passed away on Saturday, January 7th, in an Edmonton hospital after a long illness. Rev. Father Volks, officiated at the prayer service held in St. Peter's Church on Tuesday evening, and celebrated the funeral Mass. Interment took place in the local church cemetery.

Born in 1898 in Riviere Qui Barre, the son of one of the first settlers in that area, he farmed in the Villeneuve district all of his life until his retirement some 15 years ago. In 1919, he married Miss Katherine Goodman, in a ceremony in Villeneuve, performed by the late Rev. Father Clermont.

He is survived by five children and his loving wife: Mrs. (Clarisse) Kremer, Morinville; Harry Lema, Villeneuve; Mrs. Alvin D'hoedt (Theresa) Riviere Qui Barre; Mrs. Peter Vest, (Alice), Edmonton; Mrs. Terry Green (Katherine) Red Deer. 17 grandchildren and one brother, Mr. Albert Lema from Villeneuve and two sisters, Mrs. Claire Kremer of Villeneuve and Mrs. Bertha Kremer of Edmonton.

Mr. Lema was a member of LaValendry K.C. Council and old-timer of the district and a Life Member of the Old-Timers Association.

Pictured Friday between periods in their game against the Glenora Club are the "Wildcats", St. Albert's entry in the Edmonton Midget B League. Standing (from left) are: Ed Powell (Sponsor and Asst. Manager), Marcel Gravel, Armand Lacoursiere, Coach and Manager, Laurie Kelly, Bill Clendenning, Jens Oster, Ron Kennedy, Greg Munro, Norman Cloutier, Bill Powell, Mike Belcourt, Eric Oddleifson, Donald Jamison, Charlie Ward (Asst. Coach). Kneeling are (from left): Robert Spears, (Captain), George Coward (Goalie), Larry de Brujin, Howie Connauton (sub goalie) Bert Lensink, Fergie Evans (Asst. Capt.) and Murray Bauer (Asst. Capt.). Missing from the picture are player Darwin Schwartz and Club Director Rod Erickson. Photo by John's Photo Craft.

MITES:

The Mites should get started providing the weatherman cooperates. No Mites games will be played at outdoor temperatures below zero.

BANTAMS

Statistics for the Bantam League are not available due to the reorganization of the league to include the Midget "B" Team, MIDGETS.

The "Wildcats" are still in second place only 2 points out of the lead.

Young Jay Samwald ready for take-off on his new Ski-Bop. One good push and he will be flying down the Church Hill and if the snow is packed well, he could end up way down beside the school. Jay has been having a wonderful time on the new gadget made for him by his grandfather, Mr. M. Samwald. Photo by John's Photo Craft.

MR. AND MRS. OMER HOULE celebrated their 57th WEDDING ANNIVERSARY, January 14th, with a family party at the home of Mr. and Mrs. (Georgette) Henderson, in Jasper Place. They have 11 children living, 10 of which were present at their Anniversary.

They have 40 grandchildren and 20 great-grandchildren. They have resided in Morinville all of their 57 married years. May God Bless you both, with more good years among your children and friends.

Kinsmen win on technicality

Coach "Pinch" lead his Kinsmen "Warlords" to a five-all tie on a rather chilly Sunday evening, January 16th. About thirty spectators were on hand at the Grandin rink to boost the morale of the not-so-young-anymore players. Some of these (women spectators) - found it warmer to sit in the penalty box,

which had the effect of encouraging the players to get penalties. (At least they're not that cold.)

"Rocket" Forcand tripped over the blue line but was able to carry on and complete the three periods. "Blimp" Sinclair was outstanding in goal for the Kinsmen.

Due to the inability of the Coaches, Managers and Referees team to appear for the overtime period, (they were scared) the Kinsmen were awarded the win.

Unfortunately statistics are not available for this somewhat slow-moving but hard-fought game. The Timekeeper burned the game sheet in an effort to keep warm!

It is expected the coaches, managers, referees will seek revenge in the near future and the Kinsmen will be ready on a Friday or Saturday night.

Our readers HAVE THEIR SAY....

Russell should resign - or press

charges-Walker defends board

At a significant time during the recent election for School Board in St. Albert Mr. R. Russell issued a radio press release in which he accused me of certain illigal acts which were alleged to be done deliberately to suppress information during my campaign for re-election to the School Board.

The press release accused me of concealing a \$70,000 deficit in the school district's accounts and juggling the records would not hide a serious discrepancy. He referred to this matter as a shortage of funds. This release by implication and innuendo accuses the Board of Trustees, the Secretary-Treasurer and the Superintendent of Complicity in these acts.

It is too bad that Mr. Russell has not shown the moral fortitude to press his charges and that the School Board has so far chosen to leave the District employees under this cloud. I had hoped to leave this matter to be dealt with by a Public Authority as I was acting as a Public Official at the time of Mr. Russell's false statement. In view of Mr. Russell's continuing fatuous and irresponsible remarks which your editor appears to find newsworthy I believe it my duty to re-involve myself sufficiently to give your readers a look at another man's

opinion of public conduct and responsibility. These, then, are the facts.

- An error in calculating salary costs was made by the District's staff in their budget preparations which, together with added revenues (this mistake Mr. Russell does not complain about) results in an overall deficit in 1966 of some \$6,000 instead of a surplus of some \$40,000.
- All possible maintenance expenditures and necessary school equipment purchases had been made or provided for, therefore no shortage could exist.
- The end result is to be a deficit of 5/9 of one percent of the total budget which will cost the average home owner approximately two dollars in 1967.
- Mr. Russell, who was in possession of all relevant facts at the same time as all of the Board Members in late September, obviously did not take the trouble to read this material at any time during the next two weeks. He left with the gallery during two meetings in which this matter was discussed then rushed out an "expose" a clear 24 hours after he had attended a board meeting, and during which he never once attempted to clarify his proposed misrepresentations of the District affairs with the Board Chairman, the Secretary-Treasurer, the superintendent or other Trustees.

G.C. WALKER, P. Eng., A.I.S.

Bureaucratic chaos suggested Department of Health overrides engineer on filter

On behalf of our Company, I would like to set the record straight regarding the imposed rejection of the St. Albert Swimming Pool filter plant by the Department of Health.

- The Town of St. Albert in our opinion acted wisely under the circumstances in choosing not to act contrary to the Government's ruling.

Mr. Russell, by his immature and irresponsible actions set the electors confidence in the School Board back three years or more. He has also done irreparable harm to the image of other public offices by enticing elected officials to attend his public performance of "Russell's Rules

- However, there is a principle involved. In our opinion it should be the Government's concern that healthy water exists in every swimming pool. The particular mechanical method of achieving these healthy conditions should be of no concern to our Government.
- As consultants we researched the methods of filtration and then chose a modern efficient filter plant which is now gaining wide acceptance in other parts of Canada and the U.S.A. We believe we acted wisely for our clients in specifying this filter under Section 20-4-8 of the Department of Health Regulations respecting swimming pools.

- We furthermore guaranteed the success of our scheme to the extent that we committed ourselves to remove and replace the filter plant with another at no charge to the Town if our scheme failed to produce healthy clear water. (The cost of such a guarantee could have reached up to \$8,000.00 if it failed.)

- The Town of St. Albert is now in the position of having been forced to accept obsolete equipment costing \$2,159.00 more plus operational expense of \$500.00 per year more than our scheme would have cost.

- The Department of Health has put itself in a position of having overridden the opinion of a duly hired Professional Engineer by itself specifying a type of filtration to be used on this pool. Does it imply that it is maintaining

Oilmen and farmers

The Socialists are forever presenting themselves as the champion of the little man versus the big companies and while the oil companies operating in Alberta are big enough to look after themselves and need no defence, the problems involving the expropriation of land has to be looked at from both points of view.

It is my sincere hope that in the future when Mr. Russell's name comes before the electorate for consideration, all voters will remember that Mr. Russell denied the St. Albert Protestant Separate School electors a free and reasonable choice at the polls by his false statements against my person, statements made at a time when it was impossible to put both sides before them. And that he could be capable of denying them their rights in other ways if it will benefit him or his political friends to do so.

The oil companies need the freedom to explore, expand and market their products and the farmer needs, protection, compensation and proper representation.

Alberta's Social Credit government has enacted a great deal

of permissive legislation which has given oil and other companies an advantage. Some companies have dealt fairly with farmers but others have not and it is for this group that we must legislate to protect the farmer's basic property rights.

In my opinion, this would include:

- That 60 days written notice of intention to effect entry on land and setting forward the reasons thereof.
- That standard lease forms approved by the government be required for the expropriation or lease of farm land.
- That a specific method of inspection be required so that companies and crown corporations be compelled to strip, pile and replace top soil properly on expropriated land to eliminate damage to farm machinery and reduce loss of productivity of the land.
- That adequate compensation be paid for expropriated land which would include a fair market value price plus a percentage for reduction of income based on expected earnings for the expropriated parcel of land.

Surely all of these items are subject to negotiation so that we end up with legislation that will protect the individual and yet not hamper or incumber the operation of the industries which are vital to our continued economic growth.

by Robert Russell.

To measure one cup of dry ingredients -- sugar, flour, etc. -- spoon ingredients lightly into dry-measure cup until they are above the rim, then level off with a straight-edged knife. To measure a partful, level surface lightly never shake down.

Eating, dieting, books and TV

TO EAT OR NOT TO EAT:

The founder of the Diet Club informs us that more than 30 women have expressed an interest in this "weighty" venture. If you would like to become a Centennial Calorie Counter you are invited to come to the Club's first meeting. The meeting, at which officers will be elected, is set for Monday, January 23rd, at 8:00 p.m. in the basement of the Community Hall in downtown St. Albert. For further information you may phone 599-7164.

For those of you who will not be going on a diet the delicious St. Albert Centennial Cakes are once more available. The Cakes, made entirely of Canadian ingredients, sell for just 75¢. If you would like to have one or more, you may phone your order to the St. Albert Bakery at 599-6257. The cakes will be baked fresh for the weekend and can be picked up from the bakery on Piron Street on Saturdays.

SIR JOHN'S BIRTHDAY:

The students in grades 7 and 8 at Simpson Junior High marked the anniversary of Sir John A. MacDonald's birthday (Jan. 11, 1815) by attending classes dressed in period costumes. We are told quite an array of bloomers and petticoats paraded down the corridors and the students had a "real neat" time!

anyone who has a membership in the Social Credit League may contest the nominating convention providing his or her membership is in headquarters seven days before convention.

When asked if he would be a candidate, he said, "Most definitely. Many people have contacted me in the last two weeks and I have made up my mind. My hat will be in the ring."

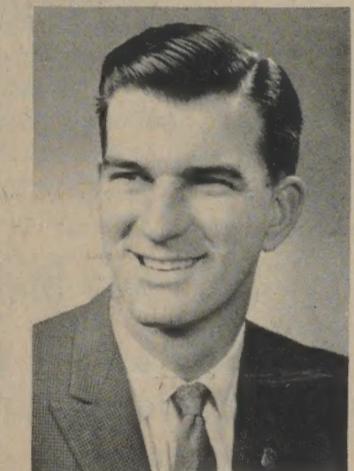

The nominating convention should be a real lively event. Rumours are that there may be three or four interested citizens entering the contest. This is real democratic action in process. I welcome the opportunity that this will provide the members as far as selection of a candidate is concerned.

The executive have called an organization meeting for Jan. 16th, in the Legion Hall in Morinville. Those present will decide on the date and location of a nominating convention.

It has been my pleasure to serve the St. Albert constituency since 1959. There are four basic characteristics that citizens still expect and demand from anyone holding public office. These are honesty, humility, ability and devotion. I sincerely hope that I have fulfilled the trust placed in me in 1959 and again in 1963.

Keith Everitt, MLA

Gibbon seeks nomination

RAYMOND M. GIBBON has announced his decision to stand for the Liberal nomination at the convention in Morinville on January 20th. Mr. Gibbon, who is well known in the district, is 32 years old. He said "Because of my interest and activity in Affairs, I sincerely believe I would urge all interested persons in the St. Albert constituency to attend the Nominating Convention meeting at 8:00 January 20th, at the Legion in Morinville."

rainbow for Canada

by Patricia Hamilton.

This week I said Centennial is a time to give children a special experience. A reader called the week to say that this sounds fine but it is difficult to know just what children consider a memory experience. This family decided to go to the Alberta Centennial Buildings to see the Centennial Flame. Before they saw the flame there was comment. The parents had several interesting responses. No response. As they leaving one of the children "When we go home can we Kingsway and see Buffalo torch? It's really keen," the children of the Yukon will have a chance to repeat the story of their own territory. Summer, Junior golds will be staged at specific events in most communities. Special treasure will be found and instruction will be in actual gold panning.

Bowman burns outhouses

Manitoba had a most interesting Bonfire to usher in the Centennial. The town has just installed water and sewer systems so all the homes now have indoor plumbing. All the outhouses were piled into a heap. On December 31st, a crowd gathered and the mayor

Fifth Pan-American games largest Western sports event

THE FIFTH PAN-AMERICAN GAMES, TO TAKE PLACE AT WINNIPEG, MANITOBA, CANADA, JULY 22 - AUGUST 7, 1967, WILL BE THE LARGEST SPORTING EVENT EVER HELD IN THE WESTERN HEMISPHERE.

The Games are staged every four years, one year prior to the World Olympic Games which will be held in 1968 in Mexico City. The first Pan American Games were held in 1951 in Buenos Aires, Argentina. Subsequent Games were held in Mexico City, Chicago and San Paulo, Brazil.

Twenty-four sports — two more than were staged at the World Olympics in Tokyo — are on the calendar for the 1967 Games. Baseball and tennis have been added to the list of regular Olympic events, as well as exhibition softball and archery.

Three major new facilities are

being constructed for the Games a track and field stadium at the University of Manitoba; a cycling velodrome, near the present Winnipeg Stadium and Arena; and an indoor 50-meter swimming pool, which will be the only indoor pool in Canada wide enough for international competition. Approximate cost of these three facilities is \$3.5 million.

One of the most unusual of the Games facilities will be a seg-

ment of the Greater Winnipeg Floodway. A perfectly straight three-mile portion of the Floodway, being built at a cost of \$67 million to control the flood waters of the Red River, will be filled with 700 million gallons of water to a uniform depth of 10 feet. It will provide one of the finest rowing courses in the world, with adequate space for thousands of spectators on its banks.

CHOICE OF THE SITE AND NAME OF ST. ALBERT.

Coronado UCW to sponsor child

The United Church Women of Coronado unanimously agreed at their Jan. 4th meeting to support a foster child through the Foster Parent Plan as their main project for the Centennial year.

Jan. Smith opened the meeting held at the home of Joyce Porsild, with worship and the history of the first Canadian Christmas Carol. Two new officers were elected: Anne Chipchar, Secretary and Betty Hof, Treasurer.

Used postage stamps, for aid to leper work, should be given to Edith Visscher by members or anyone interested in helping this project.

First community function to be sponsored by the U.C.W. in aid of the Foster Child plan is to be a Whist Drive at Coronado Church on Friday evening, Jan. 20th. The evening will feature other games as well and a cordial invitation is extended to everyone in the community and district to attend. Lunch will be served.

Mrs. Sandra Shaw will be hostess for the February 1st meeting. Before leaving the meeting the women enjoyed lunch served by Joyce Porsild and Jan Smith.

Right Reverend Alexandre Tache, of St. Boniface, had come a long way to spend New Year's Day of 1861, with his "beloved" Father Lacombe at Lac Ste. Anne. It had then been decided that a new farming settlement would be started closer to Fort Edmonton. On a frosty morning in January, two dog-sleighs left Lac Ste. Anne in the direction of the fort. Leading the first sleigh, on his flying snow-shoes, Father Lacombe beat the path for his dogs. Hope was in his heart and a prayer upon his lips. Plans for a brand new colony, all his, were racing through his mind. Here was something that might be the beginning of great consequence for a large number of families and for the children of their families. He was following the accustomed road. The sun had passed its zenith when the voyageurs arrived at a place, on a hilltop overlooking a broad sweep of the Sturgeon River, with the waters of Big Lake sparkling in the sunlight on the right. "Here, we stop", shouted Father Lacombe to his episcopal companion in the second sleigh.

While the two Metis guides built a fire and prepared tea and pemmican for refreshment, Bishop Tache took in the surrounding landscape. Enraptured by the scenery before him; envisioning, in advance the farm-houses and fields and gardens that would soon nestle close to one another on both banks of the river and the nearby lake, now rich with timber for the buildings, the seer picked up an axe, that God might bless their enter-

Edmonton Public Library

On Sunday afternoon, January 22nd, from 2 to 3:00 p.m., the Public Library presents another program of stereo music from its record collection. This week Haydn's Symphonies Nos. 55, "Schoolmaster" and 85, "La Reine", performed by the Lamoureux Orchestra, Roberto Benzi conductor as well as Haydn's Piano Concerto in D with Ingrid Haebler, pianist, and the Netherlands Chamber Orchestra will be presented.

The program will be in the Music Room, admission free.

Also for your enjoyment the Library is pleased to present a film programme, Sunday, Jan. 22nd, at 3:00 p.m. Films to be presented are: "The Searching Man", "3 Farmers" and "Judoka".

Nominations invited for Calgary Power's junior citizen of the year awards

The Junior Citizen of the Year Program was inaugurated in 1962 as a public service by Alberta's independent electrical utility companies. Its aim is to make sure that enterprising young Albertans get the recognition they deserve.

Our readers may ask - What makes a Junior Citizen? Some have performed acts of heroism, frequently at the risk of their own lives. Others have excelled in acts of quiet courage such as overcoming physical handicaps or assuming responsibility far beyond their years. Any act qualifies that makes a young person stand out in the eyes of his or her fellow citizens. The winners receive framed certificates and Government Savings Bonds at the annual Alberta Weekly Newspaper Association Convention, held in the fall.

Four of the Junior Citizens of the Year from Calgary Power's service area have won added acclaim because of their heroic actions.

A 1962 winner, Judith Walters of the Feiger Colony of Hutterite Brethren of Lethbridge was cited in an article by W.O. Mitchell in a national Canadian magazine for her endeavors towards integration of the Hutterite children in our public school system.

Lynda Dann of Vulcan, a 1964 winner, won her award for rescuing a 10-year-old friend from drowning. Lynda was presented with the Mountbatten Medal by Admiral of the Fleet, the Earl Mountbatten of Burma, when he visited Canada recently. Lynda's citation calls it "the most meritorious rescue of the year".

Two 1965 winners have also received accolades for their contributions to their communities and families. Theresa Becher of Bashaw won her citizenship award for the unselfish giving of her vocal talents to her community. In 1966 she won two firsts and a second at the Edmonton Musical Festival. She also won a \$50 scholarship from an Edmonton radio station, and an additional \$90 scholarship to the Banff School of Fine Arts.

Doris Pollard of Chip Lake won a Calgary Power Special Award when she rescued her brothers and sisters from their burning home. She was presented with an award by Lt. Gov. Grant MacEwan on behalf of the Royal

Humane Society. Doris performed this heroic rescue when she was just four years old.

NOMINATIONS ARE NOW BEING ACCEPTED FOR THIS YEAR'S ALBERTA JUNIOR CITIZEN OF THE YEAR AWARDS. READERS WHO KNOW OF DESERVING YOUNG ALBERTANS FROM 6 TO 16 YEARS OF AGE ARE INVITED TO CONTACT THE EDITOR OF THIS NEWS-PAPER.

Nature's scrapbook

TREES, TREES, AND MORE TREES

In order to meet the great need for young trees for reforestation projects, the Provincial Government operates 15 seedling nurseries and co-operative transplant nurseries throughout British Columbia.

At the present time these nurseries are able to produce 32,500,000 trees annually and is expected they will eventually produce 75,650,000 trees annually.

Private companies have also in many instances become their own nurseries.

Forestry and Government are strong and fully carry out our planting on areas that either will not satisfactorily reproduce naturally, or will not grow the desired type of crop that is required.

TINY ORGANISMS MULTIPLY IN WINTER WATERS.

Northern lakes have more living things in winter than in summer because of that microscopically important group of animals and plants known collectively as plankton. Naturalists say: "These tiny organisms, one of the most important parts of the base of that great pyramid of life" which supports us all, are fond of cold water and are, in fact, more abundant in Arctic and Antarctic waters."

"They form the food supply of most of the young fish of the world and are eaten by adult fish and whales. Some of the largest whales live almost, if not entirely, on plankton. It is curious that these great mammals survive on food they cannot see."

An exact reproduction of the first bridge built in Canada West of the Great Lakes. It was constructed in St. Albert under the direction of Father Lacombe in 1862, using wooden piles and all available labour in the settlement.

Vegetables were stored away in root-cellars, on the side of the hill; the grain that had not properly matured was reaped by hand and stocked as feed for the horses and the cattle, while the rest was threshed and brought to the Company's grist-mill in Fort Edmonton, to be ground into flour. At last, they could eat something else besides pemmican and fish.

Father Lacombe relates how he began the year 1862, "with my axe in my hand" to build a dwelling for himself, and other farm buildings. That spring the Sturgeon River was greatly swollen by the melting snow. New settlers were arriving. Many crossings of the river were necessary to provide for their needs and these were not only difficult, but even dangerous, on the small scow that had been built the previous summer. Father Lacombe quick to plan and to realize his plans, decided to have a bridge built.

On the following Sunday, after the Mass, he addressed the gathered population thus: "My friends, I am through crossing the river, walking in the mud on the bank, and pushing the scow. I'll build me a bridge. All those who help me will cross over it free. The others will not. I will have a man there to watch". The next morning nearly every man in the colony was there, with axe, ropes and horses and all went to work, hewing

large, long trees. "While they worked," Father Lacombe relates, "I fed them all with pemmican and tea."

A bridge "two hundred feet long and fifteen feet wide" was thrown over the racing waters -- the first this side of the Great Lakes, according to two British explorers, Lord Milton and W.B. Cheadle. It was henceforth called "The Bridge", far and wide. For the inhabitants of the prairies, it was a marvel. Like children, they crossed and recrossed simply for the delight and novelty of it. But not everyone. Galarneau was posted by the gate, and those who had not worked on it paid 5 cents for a crossing, except after 7 o'clock p.m. and on Sundays. This was probably the only toll-bridge in western Canada.

During the summer, work was started on a two-storyed conventional orphanage, 50 x 40 feet, for the Grey Nuns, who eventually arrived from Lac Ste. Anne on March 23, 1863, bringing seven Metis and Indian orphan girls with them. Thus Sisters Emery, Lamy and Alphonse, S.G.N., were the first school-teachers in St. Albert. They resided in Father Lacombe's house until September 18th, of the following year, when the first Youville Convent was officially blessed and opened as a school. These Sisters also cared for the sick and the aged in the community.

Morinville Locals

Congratulations to Mr. Edward Shrum, and his bride the former Andrea Boddez. They will reside in Olds.

The Morinville Lions will soon begin their door to door Centennial project, the sale of Centennial Flags for any occasion. This is a good project that merits the support of Business and Home Owners alike.

Randy Kryskow, 16 year old son of Mr. and Mrs. Ed Kryskow, is recovering from a very severe hockey injury. He suffered a crushed knee cap, and underwent surgery to have his knee cap removed. He is now in Glenrose Hospital taking daily physiotherapy. We all miss you Randy, come home soon.

Mrs. Rose Williams and Mrs. Oscar Patry were both visitors to Morinville last week.

Mr. and Mrs. Marcel Tellier, were recent overnight visitors in Morinville, the guests of Sergeant and Mrs. George Bulger. They took their baby daughter, Laurie to an Edmonton hospital, suffering from a bad heart condition. Both parents returned to McLennan the following day.

Mrs. and Mrs. Albert Craig celebrated their 19th Wedding Anniversary on January 12th.

A baking demonstration will be held in the Morinville Legion Hall on February 1st, sponsored by the Morinville Co-op Association.

The Morinville Co-op has set February 9th, as the date for their annual meeting.

The Ladies of the United Church are preparing a Valentine Tea and Bake Sale on Feb. 11th.

Mr. Ed. Vervynck is reported enjoying the balmy weather in Hawaii, on a winter holiday to the tropical islands.

Mr. Jim Sharp was also a speaker during the evening, recalling the life history of the couple. He stated that all three children, Shirley, Ed and Miss Sheila had been elected President of the Student Union at

their school.

In his reply Mr. Walker thanked those who organized the reception. He thanked the public for the confidence, trust and support received during his many years of public service for the people of this district.

Among those at the head table were: Ed and Miss Sheila Walker Mr. and Mrs. Conrad Nordstrom of Manning, Mr. Ralph Walker of Calahoo, Mrs. Gordon Patterson of Toronto, Mr. and Mrs. Cecil Armstead of Onoway, Mrs. Alice McNamara of Calahoo, Mr. and Mrs. Keith Everitt, Mr. and Mrs. Jim Sharp, Mr. and Mrs. John Krupa of St. Albert. (Mrs. Krupa was the bridesmaid of 25 years ago) and Mr. J. Shenfield, Spruce Grove.

As an extension to our centennial project we will be earning funds to send a crippled child to camp this summer, a project we hope will be remembered by these children for years to come. We would appreciate the cooperation of the community in projects we sponsor for this purpose.

Father Primeau attended our meeting and gave us a very interesting talk on public speaking. We found his remarks both interesting and informative.

BEST VALUE AT ALL TIMES

AT GOOD SAVINGS

The Brownies and Guides have resumed their regular meetings. Guide Zel McDonald is now Brown Owl for the Brownie Pack, and is to be commended for her public service, assisted by Tawny Owl, Mrs. Frank Sale.

Our senior hockey players in a game on home ice against Westlock on January 12th, scored a victory 6-4. Star performance by John Shrum, who scored three goals, a first hat trick of the season. Other point-getters were Vern Huff, one goal and two assists; Sandy Clark, Ricky Pugliese, O'Neil Chevalier, Noel Meunier, each one had one assist. The leading scorer for Morinville up to this date is O'Neil Chevalier. The Morinville Seniors, are sponsored by the Morinville Sports Association and their coach is Frank Volmer of Morinville. Boys, your community is proud of you all, keep up the good sportsmanship.

We of Morinville Youth Recreation Committee, pledge ourselves whole heartedly to the cause of "Modern Teens" and by so doing we sincerely hope to improve the standing of each and every young person.

The immobile task of establishing an active role in our new and bustling society for our younger men and women, has first of all been attacked, through a program of youth recreation. We believe that by organizing youth with the responsibility for their own affairs we will be instilling in them a sense of pride. Recreation, though, does not stop there; in reality it should serve a dual purpose as a stepping stone for the betterment of youth.

An organized teen, a motivated teen is one whose actions will be accepted by a mature public. We therefore propose motivation through recreational organization and through sound organization we pray that:

A. Youth will realize its vast potential in other fields and b. prove to a hesitant public eye that youth can perhaps be given a chance to mature a little more rapidly than has been the case to date.

We hope 1967 will be one of swift progress for us all and towards this goal we strive through the coming year.

Paul R. Riopel (Pres.)

Above is the Creed of the Youth Committee of Morinville. The citizens of the Community can now see the underlying purpose of numerous social functions and programmes undertaken by the youth of Morinville and district. THEIR MOTTO: "YOUTH FOR YOUTH".

The Executives in charge of organization are: Paul R. Riopel, President; Vice-President Denis Himschoot; Secretary Miss Colleen MacDonald; Treasurer Miss Marguerite Juneau, Active members on the Board of Directors: Rev. Father Armand Beaupre, Advisor; Denis Belland, Eddy St. Laurent, Paul Verbeck. Their three titled projects are:

1. CLUB PAD-Directors: Paul R. Riopel and Dennis Himschoot. The formal date of the GRAND BALL and Formal Opening has not been set yet. Funds are now being raised through a series of local sponsored dances, to help

PAUL RIOPEL and DENIS HIMSHOOT, Morinville Youth Recreation Committee.

Edward Shrum weds Andrea Boddez

RIVIERE QUI BARRE: Miss Andrea Boddez, daughter of Mr. and Mrs. Andre Boddez and Mr. Edward Shrum, son of Mr. and Mrs. Joseph Shrum of Morinville were married in a double ring ceremony in St. Emerance R.C. church on Saturday January 14 with Rev. Father T. Rossmahel officiating.

Given in marriage by her father the bride chose a white velvet floor length model, with three-quarter length sleeves with a rolled edge and cowl neckline. A white lace Cardinal cape served as a bridal veil and cascaded into a train. She carried a Presentation bouquet of red roses.

Mrs. Simone Chevalier was matron of honour, Miss Lena Boddez bridesmaid, both sisters of the bride chose identical long velvet blue skirts with silver tops. White elbow long formal gloves and matching slippers complimented their ensembles. Blue velvet rosebuds with silver leaves decorated their formal

coiffures. Bouquets of white carnations were carried by both attendants to the bride.

The best man was Mr. O'Neil Chevalier and Mr. Albert Shrum escorted the bridesmaids. Ushers were Mr. Gordon Boddez and Mr. John Shrum.

Miss Amy Como, was at the organ and soloists were Miss Doreen Soetaert, Mr. Walter Boddez and Mr. and Mrs. Raymond Como.

For her daughter's wedding Mrs. Boddez chose a royal blue brocade ensemble with matching accessories. Mrs. Shrum a iridescent blue-green silk ensemble with matching accessories. Both mothers had white roses en corsage.

A reception and banquet was held in the Morinville Recreation Centre, Mr. George Soetaert was master of ceremonies. A wedding dance followed in the evening.

After a short wedding trip the couple will reside in Olds.
